# HELLO AGAIN!

I am so happy to connect with you all after some time. I recently started a new job, so it has been a very busy spring getting up to speed with all the new things that come with new employment. I hope you are all well and enjoying your summers.

I have 14 new miniature paintings available on my subscriber preview page.

This page will be available to you starting Monday, July 11, 2022, at 10 a.m. Mountain Time.

These paintings are exclusive to my newsletter subscribers until Wednesday, July 13 at 12:00 p.m. MT, at which time I will post any that remain on my Etsy store and on my website store page.

I hope you will take a peek at these new minis. I am going to be focusing on some larger paintings over the remainder of the summer, so it may be a little while before I update my shop again.

## CLASSES

I am not planning any workshops, but I am taking private bookings for up to three students. Please reach out if you are interested!

# NEW REPRESENTATION

You can now find my paintings in the Art Gallery of Alberta's Shop AGA. I am honoured to be included in their store, and I hope you will check it out if you are in the art gallery.

## FEEL FREE TO REACH OUT

I am always happy to connect with you and talk art of any kind. You can reach me through my website or by replying to this email.

Take care, everyone, and I hope to see you in my studio some day!
